SEVEN WORDS TO GUIDE YOUR *World.*

Every person leaves a legacy of success or failure based on the values that guide them. When we hunger for God, we aspire to live a holy, healed, healthy, happy, humble, hungry, and honoring life.

The foundation for your destiny needs to become personal. If you embody these values, you won't have to always seek God's blessing, because the favor of God will be attracted to you! Understand the principles of living a blessed and anointed life, and get on the path to

your destiny.

Pastor Sam has done it again. He reminds us that the infinite power of God is able to sustain you through the ever-changing and unimaginable circumstances of life. Every page in this book reminds the reader that God is our strength and an ever-present help in time of need.
